A note on student reading for Foundation Weeks 31–36

In Foundation Weeks 31-36, Phase 5 graphemes are first introduced to students. We recommend students shouldn't be reading books containing these graphemes until they are taught again in Year 1. So, for these Weeks we suggest students read the Essential Blending Books 18-23 (included in the ELSA eLibrary) and read the earlier print books in the above Foundation Pack. Week 35 is the exception, as it is a Review week. The Week 35 title *A Pet Cat* reviews Phases 3 and 4.

*Early adopter period ends 29 August 2025.

** ELSA eLibrary School Subscription is a separate purchase.
