How to do your Social Research Project or Dissertation

Tom Clark, Liam Foster, & Alan Bryman

9780198811060

October 2019

oup.com.au/clark

How to do your Social Research Project or Dissertation provides a straight-talking, easy-to-navigate, and reassuring guide to support final-year social science undergraduates. Uniquely shaped by real social science undergraduates from a range of institutions, the book includes their advice to help students through what can be a daunting, but rewarding, stage of their degree. From the look and feel of the book, to the development of the chapter content and the advice it provides, students have been involved at every stage of the book's development to ensure it is focused on what's important to their learning.

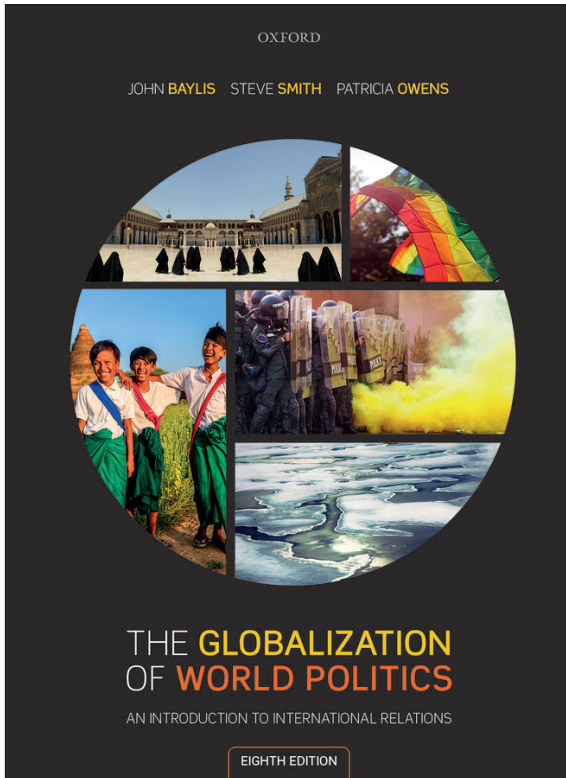

KEY FEATURES

- A straight-talking approach, and an easy-to-navigate structure, makes this book ideal for final-year social science undergraduates looking for focused and efficient guidance on completing their dissertation or research project
- Includes tips from real supervisors in the 'Working with your supervisor' feature to help students get the most of their supervisor meetings, as well as advice from other students going through the process with the 'I wish I'd known...' feature to help students avoid making the same mistakes
- Focuses on practical advice to prepare students for the realities of doing a research project.

Politics

The Globalization of World Politics: An Introduction to International Relations

Eighth Edition

John Baylis, Steve Smith, & Patricia Owens

9780198825548

January 2020

oup.com.au/baylis8e

The Globalization of World Politics provides comprehensive coverage of the key theories and global issues in world politics. Leading scholars in the field introduce students to the history, theory, structures and key issues in international relations, providing them with an ideal introduction and a constant guide throughout their studies.

NEW TO THIS EDITION

- New chapter (25) on Refugees and Forced Migration encourages students to critically engage with cutting-edge research on this vital topic
- Incorporating postcolonial and decolonial approaches, chapter 10 critically explores the limitations inherent within existing theoretical approaches to international relations
- Newly authored chapter (31) on Human Rights encourages students to think critically about key issues within the field and consider whether human rights are universal
- Expanded coverage of non-Western approaches, particularly perspectives from the global South, are woven throughout chapters to ensure students appreciate the importance of viewing international relations from representative and varied perspectives
- Updated IR theory chapters reflect a more contextualised and historical perspective, allowing students to gain a thorough, nuanced understanding of the historical and political context in which these approaches emerged
- Updated Opposing Opinions features facilitate critical and reflective debate on contemporary policy challenges, from campaigns to decolonise the curriculum to debates over open borders and migration.

TABLE OF CONTENTS

Part One: International Relations in a Global Era

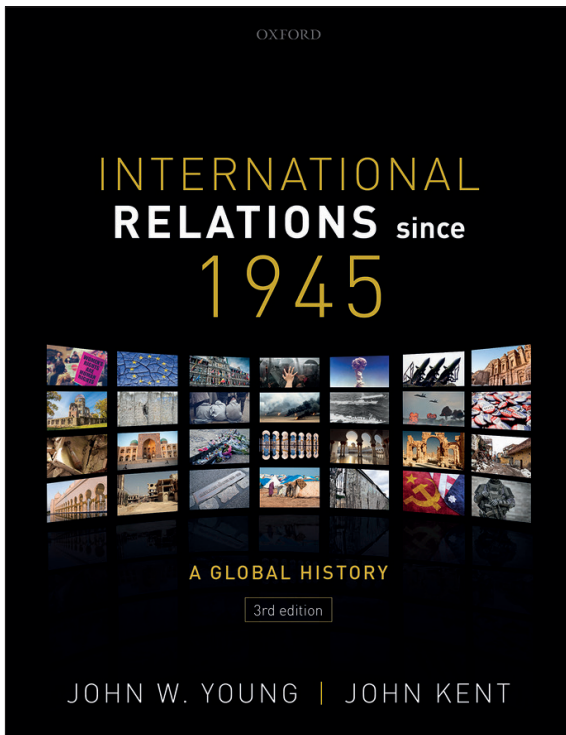

Part Two: The Historical Context

Part Three: Theories of World Politics

Part Four: Structures and Processes

Part Five: International Issues

For a full table of contents visit oup.com.au/baylis8e

International Relations since 1945: A Global History

Third Edition

John W. Young & John Kent

9780198807612

March 2020

oup.com.au/young3e

International Relations since 1945 is the most student-friendly guide to the history of international relations. Written by experts in the field, it provides an accessible and comprehensive introduction to key developments in international relations across the world.

Now in its third edition, the text has been thoroughly updated to include contemporary developments and includes a brand new concluding part: 'The Age of Uncertainty, 2011 - 2018'. It is helpfully structured chronologically and by region, taking the reader through the tension of the Cold War and post-war decolonisation to the Vietnam War, the Détente Era, and the latest developments in Middle East politics.

NEW TO THIS EDITION

- A new final part, 'The Age of Uncertainty', brings readers up to date with key international relations events and developments from 2011 onwards
- Three new chapters explore the war in Syria, Brexit, Trump, and the rise of major powers in the East
- Thoroughly updated to reflect developments in discourse, such as England's strategy for Middle East defence in Egypt during the Cold War
- Additional maps help students visualise the forces and territories in the Middle East.

TABLE OF CONTENTS

Introduction: Understanding the Cold War

Part I: The Origins and Development of the Cold War, 1945-53

Part II: Cold War: Crises and Change, 1953-63

Part III: The Cold War of Peaceful Co-Existence and the Rise of Multipolarity, 1963-71

Part IV: The Détente Era, 1972-80

Part V: From Confrontation to Communist Collapse, 1981-89

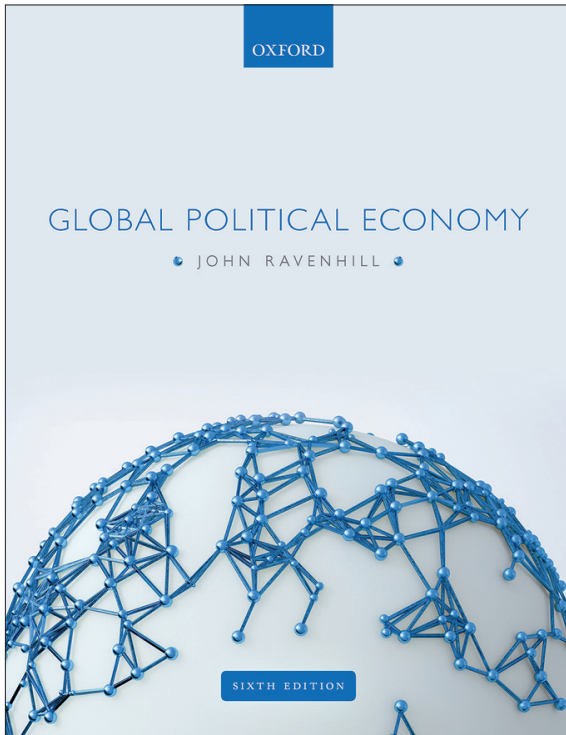

Part VI: The Post-Cold War World, 1990-2001

Part VII: The Age of Instability and Conflict: Terror, Economic Chaos and Political Change, 2001-11

Part VIII: The Age of Uncertainty: Chaos and Confusion in a Globalized World, 2011-18

Politics

Global Political Economy

Sixth Edition

John Ravenhill

9780198820642

April 2020

oup.com.au/ravenhill

Global Political Economy is written by an expert team of international authors, presenting a diverse and comprehensive selection of theories and issues. Debates are presented through a critical lens to encourage students to unpack claims, form independent views, and challenge assumptions.

Now in its sixth edition, this book has been thoroughly updated with contemporary real-world examples, including the impact of the Trump administration, Brexit, and economic nationalism. Furthermore, new analysis has been added on the international political economy of work, labour, and energy to ensure it remains the most up-to-date and relevant textbook on the market.

NEW TO THIS EDITION

- Thoroughly updated to incorporate recent developments, such as the Trump administration, Brexit and economic nationalism
- New coverage of the international political economy of work and labour
- Explores the international political economy of energy.

TABLE OF CONTENTS

Part I: Theoretical Approaches to Global Political Economy

1. The Study of Global Political Economy
2. The Historical Roots of Theoretical Traditions in Global Political Economy
3. Cooperation and Conflict in the Global Political Economy
4. The Domestic Sources of Foreign Economic Policies

Part II: Global Trade and Production

5. The Evolution of the Global Trade Regime
6. Regional Trade Agreements
7. The Globalization of Production

Part III: Global Finance

8. The Evolution of the International Monetary and Financial System
9. The Political Economy of Global Financial Crises

Part IV: Globalization and the State

10. The Logics of Economic Globalization
11. Globalization and its Impact on States

Part V: Development, Equality, and the Environment

12. Growth, Inequality and Poverty
13. The Political Economy of Development
14. The Political Economy of the Environment

Australian Foreign Policy: Controversies and Debates

Edited by Daniel Baldino, Andrew Carr, & Anthony J. Langlois

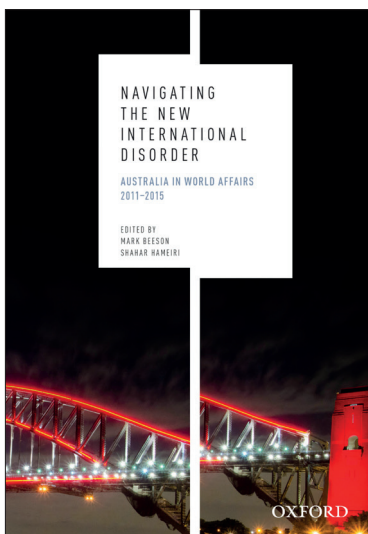

9780195525632

June 2014

oup.com.au/baldino

Australian Foreign Policy examines the core debates and multiple dilemmas that define foreign policy in Australia. Each chapter is made up of an introduction and a debate that encourages critical understanding of the many influences on the formulation, implementation and transformation of Australian foreign policy. This format allows readers to weigh up controversial interpretations of major twenty-first century events related to foreign policy.

Navigating the New International Disorder: Australia in World Affairs 2011–2015

Edited by Mark Beeson & Shahar Hameiri

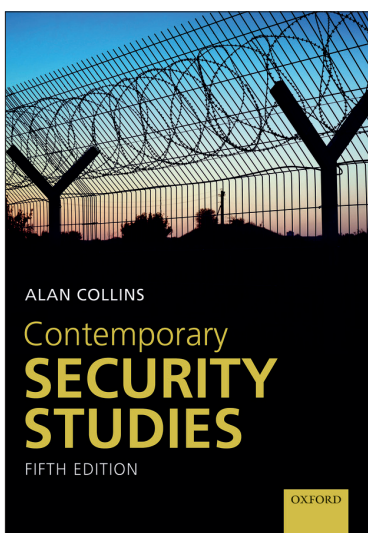

9780195596243

November 2016

oup.com.au/beeson

Navigating the New International Disorder is a long-lasting series published in association with the Australian Institute of International Affairs. It is the twelfth volume and focuses on Australia's foreign policy throughout 2011-2015. It is an essential text for students taking a foreign policy subject in a politics degree.

Contemporary Security Studies

Fifth Edition

Alan Collins

9780198804109

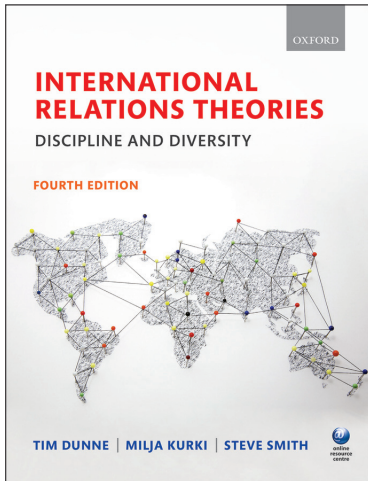

December 2018

oup.com.au/collins5e

With in-depth coverage of a wide range of issues, from terrorism, inter-state conflict, and nuclear deterrence to environmental security, health, and organized crime, *Contemporary Security Studies* is the definitive introduction to security studies. Bringing together leading scholars, it provides a student-friendly guide to traditional and critical theoretical approaches, as well the most important issues that dominate the modern security agenda.

Politics

International Relations Theories: Discipline and Diversity

Fourth Edition

Tim Dunne, Milja Kurki, & Steve Smith

9780198707561

February 2016

oup.com.au/dunne4e

International Relations Theories provides unrivalled coverage of international relations theories and arguments. It explores the full spectrum of theoretical perspectives and debates, ranging from the historically dominant traditions of realism, liberalism, and Marxism to postcolonialism and green theory.

Media and Politics: An Introduction

Second Edition

Wayne Errington & Narelle Miragliotta

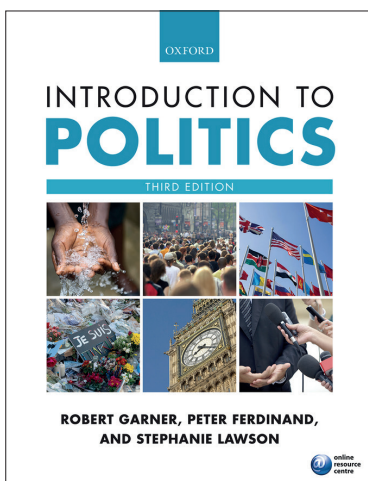

9780195576108

November 2011

oup.com.au/errington2e

Media and Politics is an introduction to the politics of the Australian media, written in a readable and engaging style, with many real-life examples throughout. It maps the chief institutions and actors that influence the operation of the Australian media, such as government, media owners and audiences. This provides a strong and clear framework for understanding the relationship between media and politics in Australia.

Introduction to Politics

Third Edition

Robert Garner, Peter Ferdinand, & Stephanie Lawson

9780198704386

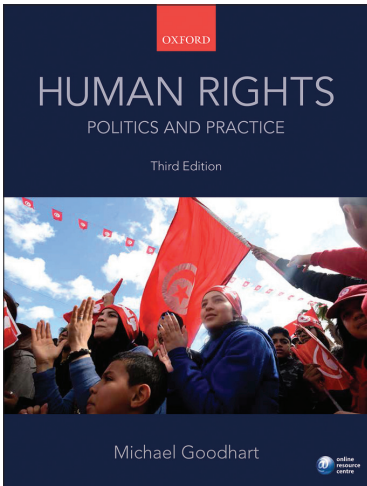

February 2016

oup.com.au/garner3e

Combining theory, comparative politics, and international relations, *Introduction to Politics* provides a perfect introduction to the subject for students embarking on university-level study. It covers both comparative politics and international relations, and contextualises this material with a wide range of international examples.

Politics

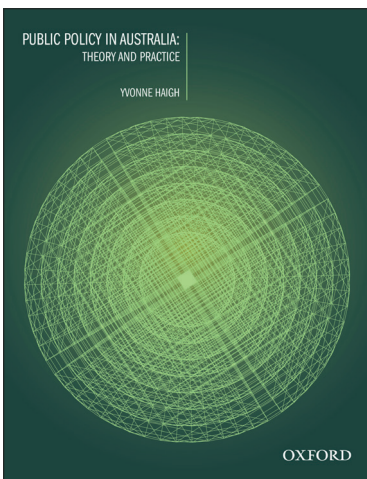

Human Rights: Politics and Practice

Third Edition
Michael Goodhart
9780198708766
April 2016
oup.com.au/goodhart3e

Human Rights provides students with a broad range of perspectives on the theoretical and practical issues in this constantly evolving field. In addition to in-depth theoretical content, the book features unrivalled coverage of human rights issues in practice, with a wide range of case studies to explore concrete examples from around the world.

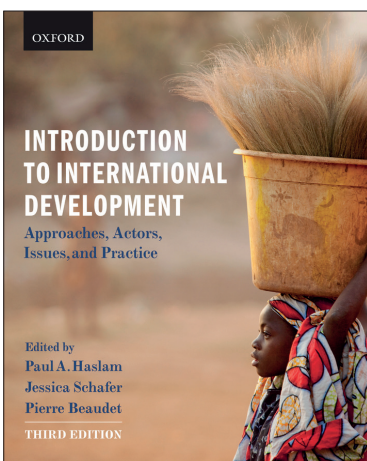

Public Policy in Australia: Theory and Practice

Yvonne Haigh
9780195570410
October 2012
oup.com.au/haigh

Public Policy in Australia is designed to help students engage with public policy. It covers theoretical traditions, ideas and concepts together with the processes that enable policy making. Shedding light on the internal processes and practices that underpin policy formation and implementation, it also discusses the role of interest groups, media and social movements as external factors influencing public opinion and policy change.

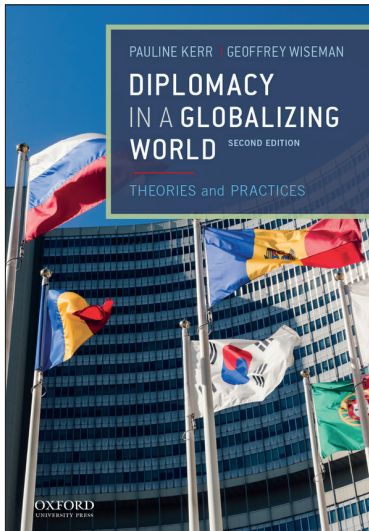

Introduction to International Development: Approaches, Actors, Issues, and Practice

Third Edition
Edited by Paul A. Haslam, Jessica Schafer, & Pierre Beaudet
9780199018901
January 2017
oup.com.au/haslam3e

Introduction to International Development is a collection of contributed chapters comprised of original essays by leading experts from a variety of disciplines. This fully revised edition continues to give students a foundational overview to the field as well as in-depth coverage of issues at the heart of today's most pressing international debates.

Politics

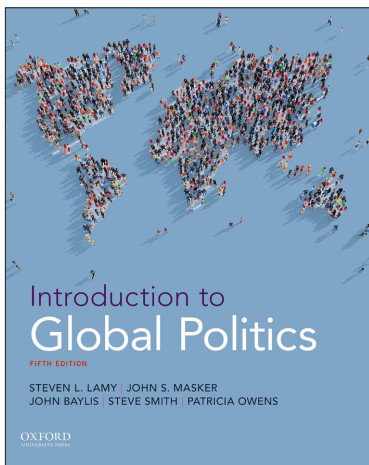

Diplomacy in a Globalizing World: Theories and Practices

Second Edition
Pauline Kerr & Geoffrey Wiseman
9780190647988
December 2017
oup.com.au/kerr2e

Diplomacy in a Globalizing World features twenty-three respected scholars who contribute to the debate about the changing nature of contemporary diplomacy and its future theoretical and practical directions. This unique volume balances breadth with depth and theory with practice, using cutting-edge comparisons to show the complexities of twenty-first-century diplomacy.

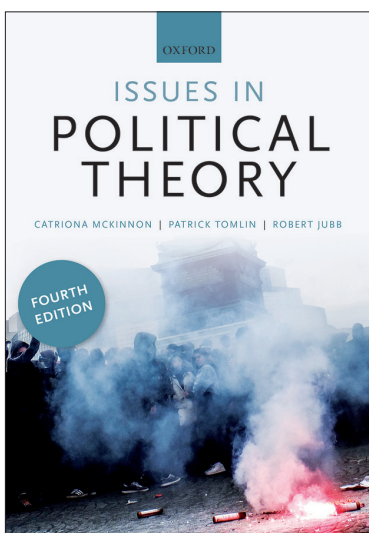

Introduction to Global Politics

Fifth Edition
Steven L. Lamy, John S. Masker, John Baylis, Steve Smith, & Patricia Owens
9780190904654
July 2018
oup.com.au/lamy5e

Introduction to Global Politics shows students how to analyze global political events using theoretical approaches—both mainstream and alternative—and emphasizes non-state actors' more than most global politics text. It covers the resurgence of populism and economic nationalism along with the revolt against globalization in the West.

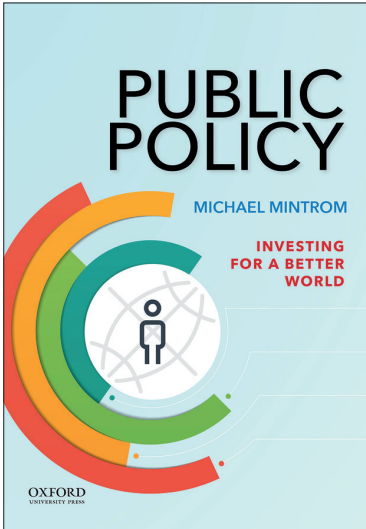

Issues in Political Theory

Fourth Edition
Catriona McKinnon, Patrick Tomlin, & Robert Jubb
9780198784067
March 2019
oup.com.au/mckinnon4e

Issues in Political Theory is a clear and engaging introduction to political theory and how it is applied to address a range of global challenges. Its team of expert contributors introduce students to important concepts, key thinkers, and major texts in political theory, while extended case studies at the end of each chapter show students how to apply theoretical ideas to real contemporary issues and debates.

Politics

Public Policy: Investing for a Better World

Michael Mintrom
9780199975976
January 2018
oup.com.au/mintrom

Public Policy presents a contemporary introduction to public policy, covering all the major theories, approaches, and substantive policy areas. Grounded in the tradition of theoretically driven, evidence-based analysis, this text offers the tools students need to discuss, debate, and chart future directions for government.

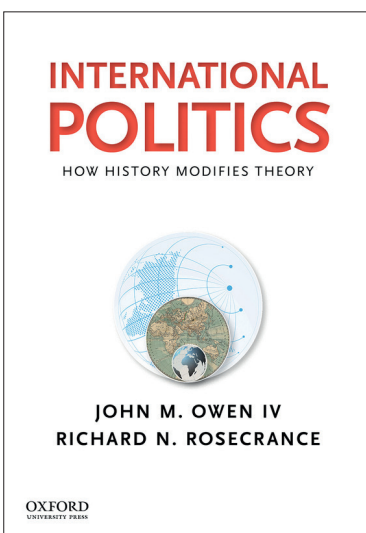

The Australian Political System in Action

Second Edition
Narelle Miragliotta, Wayne Errington, & Nicholas Barry
9780195518368
May 2013
oup.com.au/miragliotta2e

The Australian Political System in Action offers an engaging introduction to the dynamics of the Australian political system. It analyses the key features of modern democratic institutions and critiques the way these institutions operate in Australia. This edition provides students with an overview of the relevant actors, institutions and political events, and the role these have played in shaping the system in Australia.

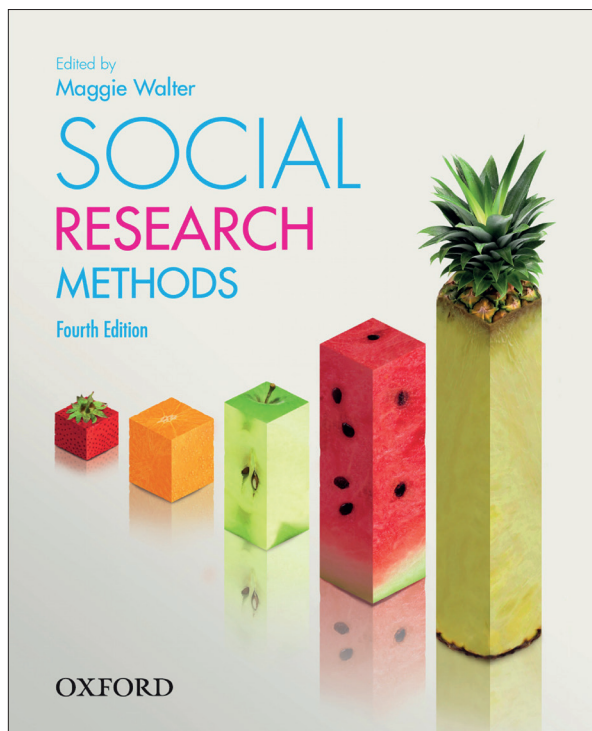

International Politics: How History Modifies Theory

John M. Owen IV & Richard N. Rosecrance
9780190216092
January 2018
oup.com.au/internationalpolitics

International Politics offers a fresh perspective on twenty-first-century world politics. Rather than listing international relations theories, it demonstrates that certain theories explain the behaviour of world politics better than others based on historical context. Offering a broad and deep historical perspective, this text demonstrates how history can explain and impact theory development in the field of international relations.

Sociology

Social Research Methods

Fourth Edition
Edited by Maggie Walter
9780190310103
September 2019
oup.com.au/walter4e

Social Research Methods, fourth edition, is an introductory guide to contemporary Australian and Aotearoa New Zealand social research practices. It provides an introduction to social research methods and seeks to develop students awareness and appreciation of the very wide range of research methods and practices available. This new edition is written to inspire students engagement with social research and presents the skills they need within a framework of exciting, up-to-date, relevant Australian and Aotearoa New Zealand research. By the end of this book, students will have gained a broad and comparative understanding of the major social research methods and what these look like from theory to real-world projects.

NEW TO THIS EDITION

- New Case Studies outline personal stories about individuals' research journeys and their approach
- New Voices in the Field profiles from prominent academics and researchers provide students with insights into the profession
- Updated numbered Exercises in each chapter help students check their understanding
- Updated Chapter Overviews introduce each chapter with context and background
- Updated From Method to Practice components provide examples of how each method works in a real-life research project
- Three new chapters on topical areas:
 - Chapter 9: Quantitative Research Methods
 - Chapter 16: Aboriginal and Torres Strait Islander Community-based Research
 - Chapter 17: Internet Research and Digital Media Methods
- Three chapters rewritten by new authors:
 - Chapter 4: Ethics and Social Research
 - Chapter 8: Descriptive Statistical Analysis using SPSS
 - Chapter 18: Writing for Research

TABLE OF CONTENTS

Part 1: The Foundations of Good Social Science Research

1. The Nature of Social Science Research
2. Research Design
3. The Research Process
4. Ethics and Social Research
5. Sampling

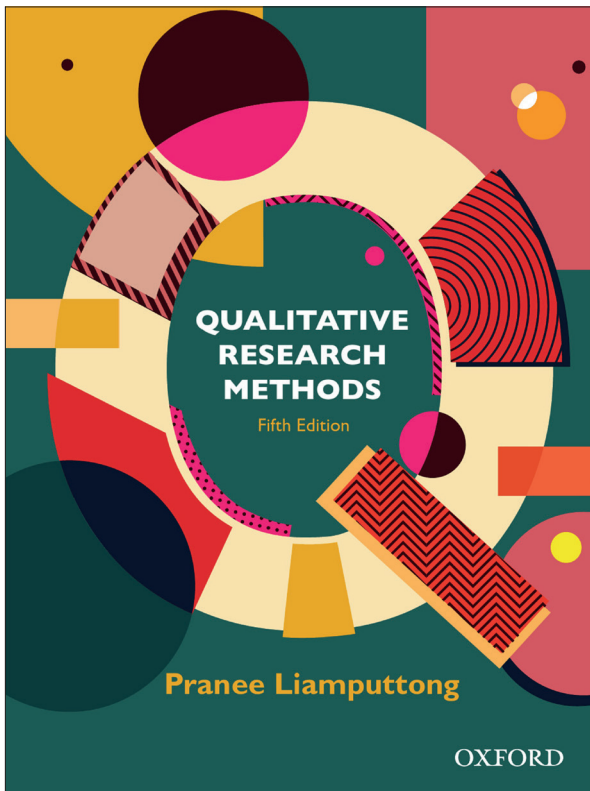

Part 2: Quantitative Methods and the Power of the Numbers

6. Surveys
7. Population-level Analysis
8. Descriptive Statistical Analysis using SPSS
9. Quantitative Research Methods

Part 3: Qualitative Methods and Meaning-making

10. Qualitative Interviewing Methods
11. Content Analysis
12. Discourse Analysis
13. Analysing Qualitative Data
14. Doing Evaluation Research
15. Ethnography
16. Aboriginal and Torres Strait Islander Community-based Research
17. Internet Research and Digital Media Methods
18. Writing for Research

Sociology

Qualitative Research Methods

Fifth Edition

Pranee Liamputtong

9780190304287

October 2019

oup.com.au/liamputtong5e

Now in its fifth edition, *Qualitative Research Methods* remains one of the few Australian qualitative research textbooks for health and social science disciplines. It introduces students to new research that has emerged since the last edition and serves as an accessible and practical guide to conducting and analysing qualitative data effectively.

It assists students to navigate through the practical ways of carrying out qualitative research, from writing a qualitative research proposal to the application of qualitative inquiry across different groups of individuals. It provides a solid foundation to ensure students are prepared to conduct qualitative research methods in a variety of disciplines.

NEW TO THIS EDITION

- New and updated examples to cater to students entering people-facing professions within health and the social sciences
- Updated Discussions in qualitative inquiry to provide students with new research that has emerged since the last edition
- New content on decolonising and Indigenous methodologies.

TABLE OF CONTENTS

Part 1: Background to Qualitative Research

1. Methodological Frameworks and Sampling in Qualitative Research
2. Rigour and Ethics in Qualitative Research

Part 2: Types of Qualitative Research Methods

3. The In-depth Interviewing Method
4. Focus Groups
5. Unobtrusive Methods
6. Narrative Enquiry Methodology: Life and Oral History, Life Story, and Biographical Research
7. Memory-work
8. Ethnography
9. Participatory Action Research
10. Qualitative Case Study Research
11. Grounded Theory Research

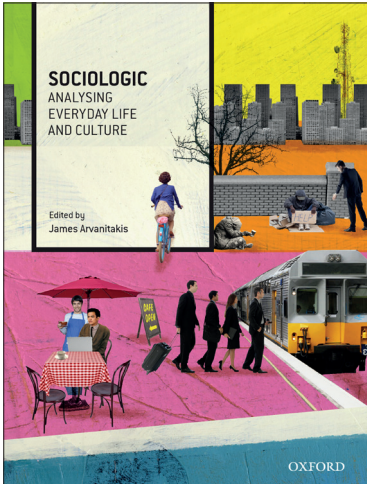

Part 3: Managing Qualitative Research

12. Making Sense of Qualitative Data: The Analysis Process
13. Writing a Qualitative Research Proposal: Making a Plan
14. Writing a Qualitative Research Report: Telling the Story

Part 4: Applications of Qualitative Research

15. Researching the 'Vulnerable'
16. Conducting Cross-cultural Research Qualitatively
17. Going Online: Doing Qualitative Research in Cyberspace
18. Qualitative Research: New Directions

Sociology

Sociologic: Analysing Everyday Life and Culture

Edited by James Arvanitakis

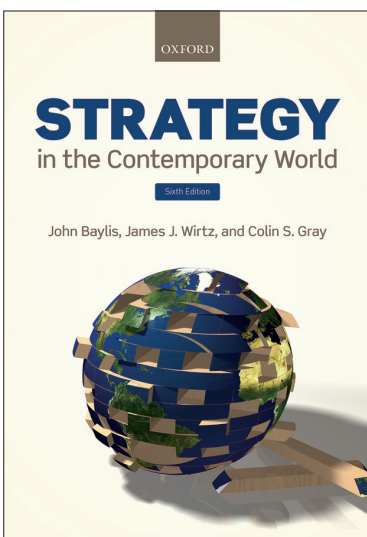

9780190300654

December 2015

oup.com.au/arvanitakis

Sociologic is a contemporary introduction to sociology for the modern student. Students will learn about sociological concepts through examination of a variety of theories and theorists, all the while relating and applying this knowledge to their own experiences of everyday life. Students will relish exploring the world of society and culture through personal narrative, humour, and examples.

Strategy in the Contemporary World

Sixth Edition

John Baylis, James J. Wirtz, & Colin S. Gray

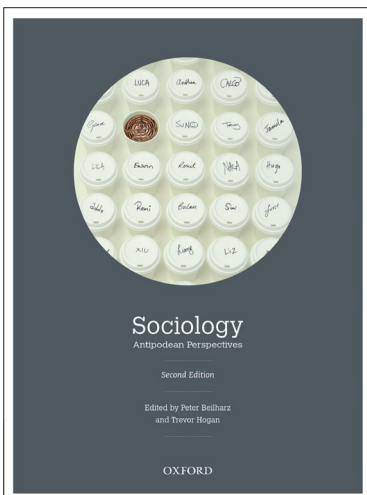

9780198807100

November 2018

oup.com.au/baylis6e

Strategy in the Contemporary World brings together international experts to provide a comprehensive introduction to strategic studies. Each chapter encourages students to explore key debates and alternative perspectives. A boxed debates feature considers key controversies and presents opposing arguments, helping students to build critical thinking skills and reflect upon a wide range of perspectives.

Sociology: Antipodean Perspectives

Second Edition

Edited by Peter Beilharz & Trevor Hogan

9780195575286

May 2012

oup.com.au/beilharz2e

Sociology introduces students to the study of society from an interdisciplinary perspective. The many ways that the lives of Australians intersect with broader societal notions of place and geography, history and culture, institutions and social divisions are covered expertly and creatively by each of the contributors to this textbook.

Sociology

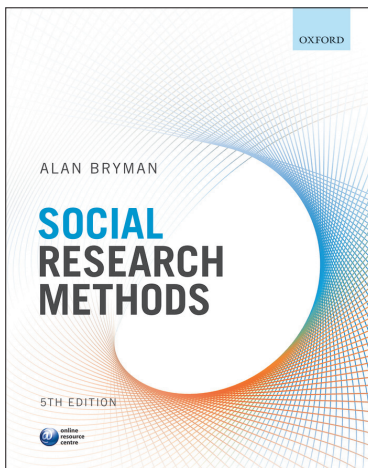

The Research Process

Sixth Edition
Gary Bouma & Susan Carland
9780190304621
July 2016
oup.com.au/bouma6e

The Research Process is an easy-to-use introduction to research methods. It emphasizes the process of research in an accessible and readable way, taking a non-statistical and non-mathematical approach for new students. It guides students through the research process, analysing and demonstrating a variety of research methods supported by extensive examples and illustrations to explain the fundamental concepts of the research process and its application.

Social Research Methods

Fifth Edition
Alan Bryman
9780199689453
December 2015
oup.com.au/brymansrm5e

Social Research Methods provides students and researchers with unrivalled coverage of both quantitative and qualitative methods, making it invaluable for anyone embarking on social research. It is packed full of engaging examples and practical tips to equip students with the tools and knowledge needed for them to complete their own research projects.

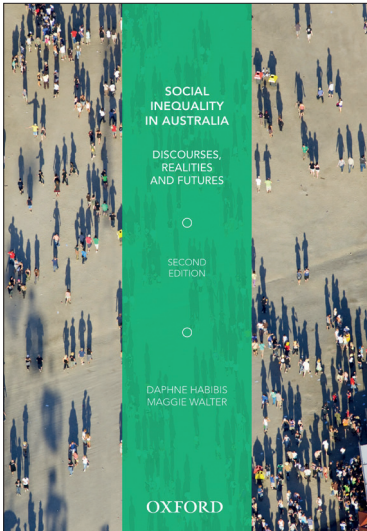

A Sociology of Food and Nutrition: The Social Appetite

Fourth Edition
Edited by John Germov & Lauren Williams
9780190304676
December 2016
oup.com.au/germov4e

A Sociology of Food and Nutrition is a comprehensive and up-to-date discussion of the social aspects of food and nutrition on the market. Leading authors in the field explore the sociocultural, political, economic and philosophical factors influencing food production, distribution and consumption and in doing so demonstrate the central importance of food in our lives.

Sociology

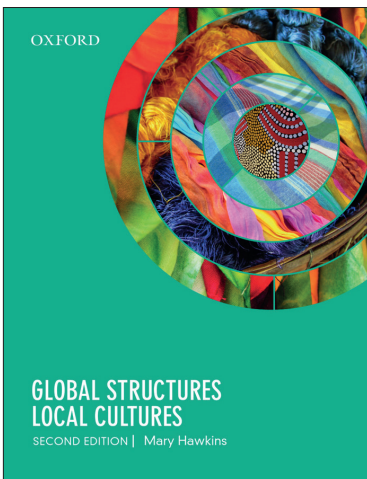

Social Inequality in Australia: Discourses, Realities and Futures

Second Edition
Daphne Habibis & Maggie Walter
9780195525410
February 2015
oup.com.au/habibis2e

Social Inequality in Australia covers the key dimensions of inequality and social division in Australian society. This text examines how different social groups are affected by social inequality, explores the role of culture in the social reproduction of hierarchy and difference, and locates contemporary inequality in the context of globalisation. It encourages informed debate, tests arguments against evidence and draws on contemporary theoretical frameworks for understanding how and why inequality occurs.

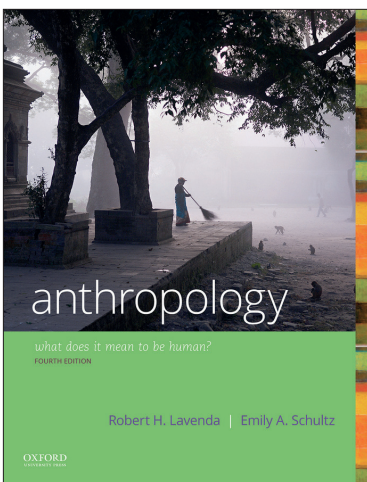

Global Structures, Local Cultures

Second Edition
Mary Hawkins
9780195520163
December 2013
oup.com.au/hawkins2e

Global Structures, Local Cultures examines the process of globalisation and its impact on modern society. It is clearly written and logically structured with case studies from around the world that engage and encourage students to think about the historical and contemporary connections between societies and cultures.

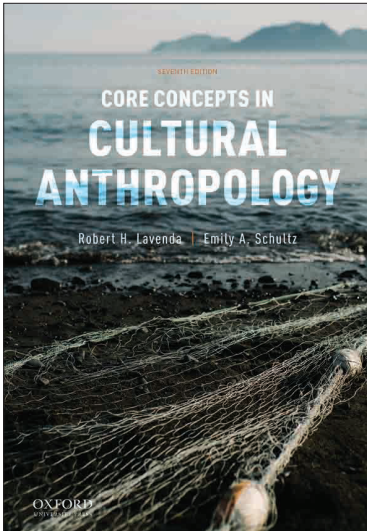

Anthropology: What does it mean to be human?

Fourth Edition
Robert H. Lavenda & Emily A. Schultz
9780190840686
January 2018
oup.com.au/anthropology4e

Anthropology takes a question-oriented approach that incorporates cutting-edge theory and new ways of looking at important contemporary issues such as power, human rights, and inequality. This engaging text is an ideal one-semester overview that delves deep into anthropology without overwhelming students.

Sociology

Core Concepts in Cultural Anthropology

Seventh Edition

Robert H. Lavenda & Emily A. Schultz

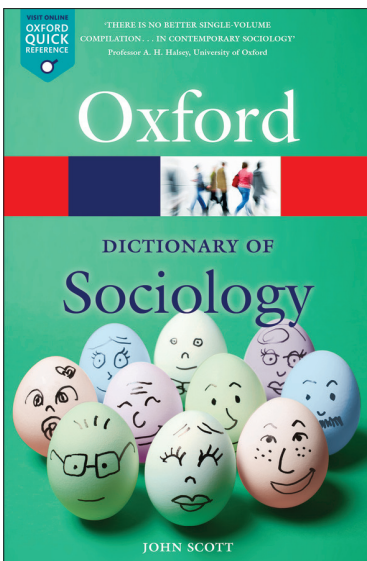

9780190924751

March 2019

oup.com.au/lavenda7e

Core Concepts in Cultural Anthropology is a concise introduction to the basic ideas and practices of contemporary cultural anthropology. It offers an elaborated discussion of the key terms and concepts that anthropologists use in their work and it prepares students to read ethnographies more effectively and with greater understanding.

Dictionary of Sociology

Fourth Edition

John Scott

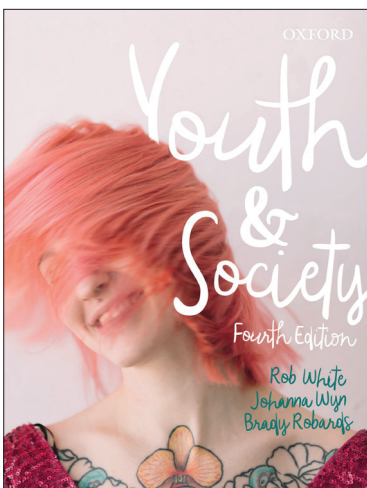

9780199683581

September 2014

oup.com.au/scott4e

Dictionary of Sociology contains more than 2,500 entries on the terminology, methods, concepts, and thinkers in the field, as well as from the related fields of psychology, economics, anthropology, philosophy, and political science. It is both an invaluable introduction to sociology for beginners, and an essential source of reference for more advanced students and teachers.

Youth and Society

Fourth Edition

Rob White, Johanna Wyn, & Brady Robards

9780190305185

June 2017

oup.com.au/whitewyn4e

Youth and Society is a comprehensive and accessible textbook on the sociology of youth. Led by an expert author team, the text takes a holistic approach to the concept of youth, providing an engaging and authoritative overview of the key debates, research and theories of youth and society in Australia.

Oxford Digital Solutions

At OUP, digital is at the heart of what we do. We are aware that there are many different study and teaching requirements so our resources are developed in a range of formats and locations to ensure they are as accessible as possible.

LECTURERS

All local OUP textbooks are available as a free digital inspection copy via VitalSource Sampling, making it easy for you to discover what titles and resources are available for your subject area. Visit oup.com.au/vsacademic to find out more.

STUDENTS

All local OUP titles are published as eBooks giving students the choice between a print or digital textbook. Read more about our eBooks at oup.com.au/digitalproducts.

LIBRARIES

Our local content is available for libraries to purchase via the Proquest/EBL platform. Visit proquest.com to find out more.

INSTITUTIONS

OUP can help provide your students with immediate digital access to quality, peer-reviewed resources from their first day of class. Find out more at oup.com.au/digitalsolutions.

Did you know Oxford also publish online training courses?

Epigeum is a leading provider of online courses that support the core activities of universities and colleges in four areas: teaching and development, research, studying, and support and wellbeing.

Developed through a unique process of global collaboration between world-class subject experts, partner institutions, and in-house specialists, Epigeum's interactive, online courses make consistent, cost-effective training achievable for all.

Interested? Submit the contact form at epigeum.com and a local representative will be in touch.
